Education

Farmingdale State College

GPA: 3.3, 2018-2021

- Earned a Bachelor of Science Degree in Computer Programming and Information Systems, with a Minor in Sociology.
- Key Courses: Web Development, Professional and Technical Speaking, Technical Writing, Management Information Systems, Systems Analysis and Design, Data Communications.

Skills

Languages and Frameworks

- Javascript, Typescript, Python, C#, HTML, JSX, CSS, SQL, React, Redux, AWS

Software Applications

- Microsoft Office, Adobe Photoshop, Visual Studio, XCode, Adobe Premiere Pro, GitHub.

Projects

JustinTaylorWeiss.com - Personal Website

Javascript, CSS, React

- Designed and built justintaylorweiss.com using my experience with React and Javascript.
- Improved my proficiency with the styled-components paradigm.

HGR2 Hawk - Amazon Fulfillment Center Logo

Photoshop, Illustrator

- Utilized my experience with Photoshop and Illustrator to create a logo for Amazon's HGR2 fulfillment center.
- The logo is to be used on merch and as an identifier of the HGR2 building.
